

## ONLINE SYNDICATION

Our first step is to syndicate your property listing to the regional MLS, All Agent Connect & TAN servicing for Pre-Marking the listing. Your home will be advertised on these top-rated sites.

## MIGRATION & TECH

Keller Williams technology provides a synopsis of where buyers are migrating to in real-time, so we are better equipped to market your home.

## DIGITAL MARKETING

Our marketing team will create custom targeted and optimized social and Google campaigns coordinated with print marketing and direct mail.

## PRESS

We provide global reach through our Keller Williams Luxury Division with access to press and multiple publications.
